# BEEKMAN DEFEATS Princeton Football Men Get Real Start in Camp

Princeton Tennis Player Scores Only Gennert Is Among the Prominent Missing as Tigers Start Hard Work at Lake Minnewaska -New Yorkers Late Arrivals.

> LAKE MINNEWASKA, N. T., Sept. 12.—
> Eight more Princeton gridiron candidates reported to Speedy Rush in this wilderness camp to-day and were immediately set to work getting rid of Eddie Shea battled with the linemen. superfluous fiesh. Among the late arrivals were Mike Charles and Haaren. two New York boys of scholastic fame:
>
> Wilson and Sinclair, Brooklyn residents, to keep away curious visitors and who already have won attention through who already have won attention through their football proclivities, and Eddie Driggs of Brooklyn, varsity halfback of last year. Gennert, the big fellow who was pivot of the rush line last season.

A two hous criti in the afterpoon found the candidates drippins with perspiration. Several kickers were given a chance to show what they could do. The backs and ends were given practice clevens were lined up to try out new schemes for interference for these plays.

Already the conches are optimistic about the material at hand. Most of the new players have had a good course in football in high or preparatory schools and have joined the squad ready for the finishing touches. There is a prevalence of speedy back field candidate and it is probable that Coach Rush will

shouting to them to get low and smash

force the men to keep their minds on the work at hand. The living quarters also are excellent ar are the water and food. The men out for position, on the team who are here now are: Backs, Moore, Frown, Heas, Mellyaine, Georgi, Good, tune, or that the speed, Schmalz, Charles, Blaks, Dompsey, Haaren and Mathiasen; linemen, Hogg, Hooper, Freck, Funk, McGraw, Hamilton, Markey, Wan, Markey, Hamilton, Cotton, Winn, Sinclair, Byran ther than he deserved to go, and last obe; ends, Rabill, Keating, Fos-

ab! to divide the squad into the and through. He carried eve skies and regulars, and it is possible the peatse that was so lavishly backs and ends were given practice thing and running back punts. Seven if or any particle thing and running back punts. Seven is several coaches are optimistic ut the material at hand. Most of the players have had a good course in ball in high or preparatory schools have joined the squad ready for the hing touches. There is a prevagor of speedy back field candidate and sprobable that Coach Rush will take the material at hand to consider the same of speedy back field candidate and sprobable that Coach Rush will be the popular capitaln and promptions to backs for his varsity. The several coaches here helping to that he will pick a first team to start that he will pick a first team to start that he has here this year, as most of them are well versed in elementary football and need only to brush up to be letter perfect. Rush is so pleased with their progress already that he may depart from his intended schedule and get the team into condition for scrimmaging soon.

Cap. Hogg is in superb condition, having taken strict care of himself all summer. He has shown himself an indefatigable worker and a born leader. He is a most popular capitain and promptions to be heralded as one of the most end to the progress of the several coaches here helping to be heralded as one of the most end to the progress of the several coaches here helping to be a first team to start the learning signals and formations. It is an exceptional to of men that has an exceptional and formations. It is an exceptional to of men that he has here this year, as most of them are exceptional to of men that he has here this year, as most of them are exceptional and formations. It is an exceptional to fine the has here this year, as most of them are exceptional and formations. It is an exceptional to of men that he has here this year, as most of them are exceptional to of men that he has here this year, as most of them are exceptional to of men that he has here this year, as most of them are exceptional to fine the has here this year, as most of them are ex

## **BOY GOLFER TAKES** PLACE WITH STARS

Bob Jones Provides Game With Interesting Sidelight Seriously Needed.

### TRON SHOTS ARE TRUE

Evans is overshadowed by showing made by the "kid." the gallery were wont to call him.

That is as it should be, for a new star in the firmament of golf is what every one keenly interested in the royal and ancient game has been seeking for a long time. The old stars have been with us so long that we have been demanding something new, and that is the reason why the advent of Bobby Jonesmeans much to golfers. Jerry Traverhas been a star for more than a decade, Chick Evans for a little less, and only the arrival of Francis Culmet in 1911 added a new star. That was three years ago, however, and in that time Outmet has been barred from the amateur ranks, been barred from the amateur ranks,

has been barred from the amateur ranks, and up to last week there was no indication that any newcomer would demand his share of the glery.

Yet that is just what happened Bobby lones, who will not be 15 until next March, made good all the wonderful predictions which had been coming up from the South during the spring and sumdictions which had been coming up from the South during the spring and sum-

of American golf, paid a flying visit to His wooden shots when well hit asked break the Pine Valley Golf Club to-day and odds of nobody; in fact, the number of by The course. Evans played in a four-some in ment during the match in which the deeron B. Buxton, Philadelphia title holder, wonder
